

Wellington Technologies continues to expand its line of affordable Thru-the-wall Automated Teller Machines with this introduction of the NH-2100T. The NH-2100T has a proven track record for reliability with trans-reflective LCD or optional high brightness display.

This model ensures a safe transaction environment with a UL291 Business Hour safe and triple DES PIN pad.

The compact size of the NH-2100T makes it ideal for smaller through-the-wall settings. It can hold up to 2,000 notes and includes a 200 note reject bin.

Plus, it features a sunlight-viewable display; a bright display is optional.

Standard Features:

- All-Weather Fascia & Cabinet
- Business Hour Safe
- Dial Lock
- 2000 Bill Dispenser
- 5.7" monochrome sunlight-viewable LCD
- Graphical Thermal Receipt Printer
- 1-Year Warranty
- Multi-Lingual Capable

Optional Features:

- Adjustable Support Pedestal
- High Speed Internet Gateway
- Cellular Gateway
- Electronic Lock
- 5.7" High-Bright EL Display
- Rear Access Panel

Specifications

- Width: 20"
- Depth: 29"
